

CLASS II ROAD RESTRICTIONS

Class II Roadway restrictions will become effective STATEWIDE on MONDAY, MARCH 17, 2003 for the state highway system. Non-divisible overweight permits are suspended for Class II road sections during this period. Also, all divisible overweight permits are suspended on the entire state highway system at the same time.

Additional information on Class II road restrictions, including a map of the Class II road sections, and the posted roads program can be found at the Wisconsin Department of Transportation web site at:
